

1 次の英文を読んで、後の設問に答えなさい。

*Mr. and Mrs. Dandoy had a dog and his name was Tom. They began to live with Tom after their children finished university and left home. They really loved their dog and had a good time with him. Almost every weekend, they took Tom to many places like mountains, rivers and parks. Tom really enjoyed ①(go) out with them.

After ten years, they decided to give Tom to their friend who lived about 30 kilometers away. Mr. and Mrs. Dandoy were more than 75 years old, and it became difficult for them to *take Tom for a walk every day and take him to many places. They thought, “ We cannot take care (②) Tom because we’re getting too old.” Of course, it wasn’t easy for them to say goodbye to Tom. Soon their friend came to their house, and took Tom to his house. Mr. and Mrs. Dandoy felt really sad.

After three weeks, Mr. and Mrs. Dandoy *got a call from their friend. He said that Tom left his house and didn’t come back. They all looked (③) Tom, but couldn’t find him. They were really worried (④) the dog.

Then a week later, when Mr. Dandoy was in his room, a woman (⑤) lived near his house suddenly came to his house and *shouted, “ Come *outside, Mr. Dandoy. It’s your dog!” He walked out of his house and was surprised. Outside his house, he saw Tom. Mr. Dandoy was so glad, and couldn’t believe it. When Tom found Mr. Dandoy, Tom *jumped into his arms. *Maybe Tom wanted to live in Mr. and Mrs. Dandoy’s house with them. After Tom walked about 30 kilometers, he returned to Mr. and Mrs. Dandoy’s house.

⑥That was really amazing. Mr. and Mrs. Dandoy knew that some birds fly back to the same place every year and some fish come back to the same river after they swim in the sea for some years. They didn’t know how Tom did it. Maybe he used his good *nose? Maybe he remembered the mountains, rivers, parks, and tall buildings?

When they met again after a long time, ⑦(to / were / so happy / they / see) each other. Mr. and Mrs. Dandoy found that Tom really liked to live in their home. They thought they would never give their dog to other people.

(注) *Mr. and Mrs. Dandoy ダンドイ夫妻 *take～for a walk ～を散歩に連れて行く
